**Incident:** [REDACTED]  
Dallas County. On 01/16/04 at approximately 2:50am, I Sgt. Craft #123, observed a small dark colored vehicle approaching the intersection of w/b Skyline at S. Center Street. The vehicle failed to stop for the stop sign on Skyline and turned s/b on S. Center, then w/b on Clarice. I made a traffic stop at Clarice and SW 3rd street and the vehicle, Texas LP [REDACTED] stopped in the 800 block of SW 3rd. I approached the vehicle and the driver identified himself as George Espinosa w/m [REDACTED] with Texas DL [REDACTED]. Shortly after the stop, I was advised by dispatch that there were related warrants on the vehicle. I was advised that the warrants were on [REDACTED]. I had George exit the vehicle and step to the rear. George was allowed to sign citation k179385 for Ran Stop Sign. I asked George who the four passengers were in the car and he stated his brother [REDACTED] and three friends that he was taking home. At that point, I had dispatcher Fredrick confirm three Grand Prairie warrants on [REDACTED] w/mm [REDACTED], which she did. I had [REDACTED] exit the vehicle and he was placed under arrest for the warrants. I then asked George if there were any weapons or narcotics in his vehicle and he stated that there was a gun under the drivers seat, but that it was not loaded. I had the other three occupants of the car exit and patted them down for weapons and had them stand to the rear of the car with Officer Hogg, my backup. Under the front drivers seat I located a Colt Defender 45 cal handgun, with no magazine or round in the chamber. The gun was secured. I searched the rest of the vehicle for the magazine and noticed that the rear seat was not secured. I lifted the seat and located a silver magazine containing five 45 cal rounds in it. I also located another magazine in the drivers door pocket that contained two 45 cal rounds and a single 45 cal round was laying in the pocket. Also in the pocket was a sandwich size baggy that contained a green, leafy substance that I recognized to be marijuana. I then placed George Espinosa under arrest for UCW and PNP and both George and [REDACTED] were placed in the back seat of Hogg's squad car for transport to the jail where they were booked in and placed in a cell with access to a phone. The vehicle was towed to the city pound by Dave's wrecker. [REDACTED]

[REDACTED] The  
[REDACTED] George Espinosa was also confined on Citation K179386 for PNP.
